

University of the Incarnate Word®

Bachelor of Science in Business Administration in Accounting

School of Professional Studies

PROGRAM OVERVIEW

Accounting is the means by which businesses report to their stakeholders the results of their operations, comprehensive income, financial position and changes in cash and owners' equities by analyzing, recording, presenting and interpreting the results of transactions and events. Intended to develop the decision-making and accounting skills needed to enter the profession and become accountants in public practice, industry, nonprofit organizations or government, the curriculum is based on the American Institute of Certified Public Accountant's core competencies. The Texas State Board of Public Accountancy (TSBPA) requires 30 semester hours of approved upper division accounting courses, plus 21 hours of approved upper division business courses, plus an approved three-hour course in ethics, included within a total of 150 semester hours with a degree, as qualifications to sit for the CPA examination.
