

# PROJECT MANAGEMENT

## Bachelor of Science in Business Administration

SCHOOL of  
PROFESSIONAL STUDIES

### PROGRAM OVERVIEW

---

The Bachelor of Science in Business Administration degree program's goal is to develop in each student a broad understanding of how the elements and processes of business organizations relate to one another and to the external environment. Degree requirements are designed to develop proficiency and confidence in the functional areas of business. In addition to providing the technical skills required for a professional level business position, the ethical considerations of business are emphasized.

### PROGRAM FORMAT

---

Courses are 8-weeks long and offered six terms each year. Faculty are scholar practitioners with real world experience.

- **Available in the classroom at the following learning center:**

Northwest Center

- **Available 100% online**

### CAREER OPPORTUNITIES
