Bachelor of Science in Health Sciences - Administration

School of Professional Studies

PROGRAM OVERVIEW

The Bachelor of Science in Health Sciences is designed for students who are ready to prepare for a career in the healthcare field. Currently working professionals can complete this degree to move on to a senior leadership position. The administration concentration prepares students to work within a medical office, clinic and/or hospital setting in a management position. Graduates will be qualified to assume leadership roles in various healthcare environments.

Completion of the specified courses will satisfy the minimum certification examination requirements. Testing centers not affiliated with UIW will offer the exam and award the certification(s) following successful examination.
