## Bachelor of Sciences in Health Sciences - General Studies

School of Professional Studies

### PROGRAM OVERVIEW

The Bachelor of Science in Health Sciences with a concentration in General Studies (Military Training) is designed for students who are ready to prepare for a career in the healthcare field. Currently working professionals can complete this degree to move on to a senior leadership position. Students who have 18 or more credits in the military allied health field can transfer their credits into the degree program as general studies to complete the BS-HSCI degree.

### PROGRAM FORMAT

- 120 credit hours
- 8-week terms with six start dates
- 100% online
- Some classes available in-person

### QUICK FACTS

- No application fees
- Reduced tuition and no academic fees
- Special discounts for active-duty military, veterans, DoD and active-duty dependents
- FREE e-books for undergraduates and active-duty military
- Resources online and on campus to keep you on track

### ACCREDITATION

The University of the Incarnate Word is accredited by the Southern Association of Colleges and Schools Commission on Colleges.
