

University of the Incarnate Word®

Bachelor of Science in Psychology

School of Professional Studies

PROGRAM OVERVIEW

The Bachelor of Science degree in Psychology will contribute to a student's general knowledge and prepare them to pursue advanced degrees in psychology or related disciplines. The program seeks to deliver its curriculum through an interactive and collaborative learning environment that provides its participants with a strong theoretical and scientific foundation in the field of psychology. Psychology offers insight into human behavior, human nature and teaches specific skills for working with individuals or groups.

PROGRAM FORMAT

- 120 Credit hours
- 8 week terms with 6 start dates
- 100% online
- Some classes available in-person

QUICK FACTS

- No application fees
- Reduced tuition and no academic fees
- Special discounts for active-duty military, veterans, DoD and active-duty dependents
- FREE e-books for undergraduates and active-duty military
- Resources online and on campus to keep you on track

ACCREDITATION

The University of the Incarnate Word is accredited by the Southern Association of Colleges and Schools Commission on Colleges.
