

University of the Incarnate Word®

Master of Arts in Healthcare Administration Concentration

School of Professional Studies

PROGRAM OVERVIEW

The Master of Arts in Administration program is unique among graduate programs in South Texas in that it provides participants with core competencies in administration as well as essential knowledge, skills and abilities in the specialty areas listed below. The curriculum is designed to develop ethical and accountable administrators who are able to conceptualize and critically analyze complex organizational issues within their specialty areas and who are able to persuasively communicate toward a course of action that is in the best interests of those they serve.

The Healthcare Administration concentration provides you with unique expertise in health services management that will prepare you to serve in a variety of healthcare organizations to include those in hospital, group practice, health insurance and other clinical and administrative settings.
