

HUMAN RESOURCES

Bachelor of Arts in Human Resources

SCHOOL of
PROFESSIONAL STUDIES

PROGRAM OVERVIEW

The Bachelor of Arts in Human Resources prepares students for challenges in the workplace related to managing and developing people. This includes those interested in HR careers as well as those who desire to improve their ability to solve problems, improve processes and enhance the effectiveness of people in organizations. In addition to developing competencies in key HR activities (staffing, training & development, performance management, compensation and benefits, legal compliance), the student will develop important skills in critical thinking, technology and business communication.

The Bachelor of Arts in Human Resources has been acknowledged by the Society for Human Resource Management (SHRM) for its full alignment with SHRM's HR Curriculum Guidebook and Templates. The HR Curriculum Guidebook and Templates were developed by SHRM to define the minimum human resources content areas that should be studied by HR students at the undergraduate and graduate levels.
