

# PSYCHOLOGY

## Bachelor of Science in Psychology

SCHOOL of  
PROFESSIONAL STUDIES

### PROGRAM OVERVIEW

---

The Bachelor of Science in Psychology will contribute to a student's general knowledge and prepare them to pursue advanced degrees in psychology or related disciplines. The program seeks to deliver its curriculum through an interactive and collaborative learning environment that provides its participants with a strong theoretical and scientific foundation in the field of psychology. Psychology offers insight into human behavior, human nature and teaches specific skills for working with individuals or groups.

### PROGRAM FORMAT

---

Courses are 8-weeks long and offered six terms each year. Faculty are scholar practitioners with real world experience.

- Available in the classroom at the following learning centers:

Corpus Christi Center      Northwest Center

- Available 100% online

### CAREER OPPORTUNITIES
